ASME Executive Committee Meeting Minutes

Shirts
- About 1/2 sold
- One more email to be sent out to those who have ordered shirts

Pizza Party
- Wednesday, March 4th conflicts with Social Work Club, -- Peter Attema to arrange setting up on February 25th instead
- Still subsidizing cost to $5/person

Consider Tour of Vogel Paint
- After Spring Break (New officers to set up as first new activity)
- Alex Nykamp to talk with Micah
- Also consider Adams Thermal (about 40 minutes drive away: the heat transfer class might go as a class trip, but the distance makes this a little bit less likely to work well – not worth going all day, yet too long to make it an afternoon event)

Design Competition
- Prizes, team size to be determined by Phil Stam and Josh Sandbulte.
