Classification: Query
Surnames: Bottger, Wonderlich, Shy, Bailey, Morgan
Johanna Juliane Schauseil was born in June of 1810 in Germany and died 24 Dec 1901 in the
town of Ollie, Keokuk County, Iowa. She was the oldest daughter of Daniel Schauseil of
Großwangen, Sachsen-Anhalt.

Juliane married on 7 Nov 1833 Johann Christoph Böttger, b 23 Mar 1805 in Weißenschirmbach,
d 23 May 1898 in Ollie, Iowa. In this country, the family dropped the Umlaut and spelled the
name Bottger.

Children:

[Removed information on the four younger children]

5. Amelia Thresa Bottger, b 20 Jun 1844, d Jul 1856 of rattlesnake bite.

[Removed the information on the two older children]

Analysis: It looks to me like Amelia was in Koekuk County when she died. I almost think she
got married in this country but it is possible they were married in Germany.
